As an existing National Trust Member you are aware of all the work of The Trust. All over the country there are local centres like ours where members can meet together to share similar interests & support the Trust. We cover Chelmsford and the surrounding district.

During the winter months we have a programme of evening meetings, with guest speakers, on a wide range of subjects, together with an Autumn Fair. In summer there are coach trips to places of interest.

As an existing N.T. member you are welcome to join. The Centre Membership year runs from April 1st & the fee is £5 per person or £9 for two people living at the same address and this is separate to your National Trust membership Fee. Should you join after Jan 1st membership carries over until 31st March of the following year. (Meetings are £3 for Centre Members and £5 for visitors).
